

Wisconsin Was Made for You and Me

(lyrics by P. Leidy, to "This Land Is Your Land")

This land is your land, this land is my land
From Lake Geneva to Madeline Island
From the rolling prairies to our lovely dairies
Wisconsin was made for you and me

If you roam and ramble our hills and woods here
You will see why "life's so good" here
So plan your trip now—c'mon, you know you should dear
Wisconsin was made for you and me

We got Boscobel, Wisconsin Dells
Baraboo, and the Kickapoo
And the only Waunakee in the world
Wisconsin was made for you and me

You're from Ohio? I'll show you Rio!
Oklahoma? You'll like Wautoma
You'll come right backa to Waupaca
Wisconsin was made for you and me

You live in Boston? Come check out Mauston
Pasadena? You gotta see Neenah
If you're from Little Rock, you'll love Oconomowoc
Wisconsin was made for you and me

Friendly people in all our regions
We got Germans and Norwegians
Not many Australians, but we had a runaway kangaroo
Wisconsin was made for you and me

We are the home of Laverne and Shirley
We got Sheboygan, how 'bout Hurley
Cheese! Brats! Beer! It's all right here
Wisconsin was made for you and me
